

ASTM BIODEGRADABLE STAKES

100% BIODEGRADABLE ANCHORING STAKE

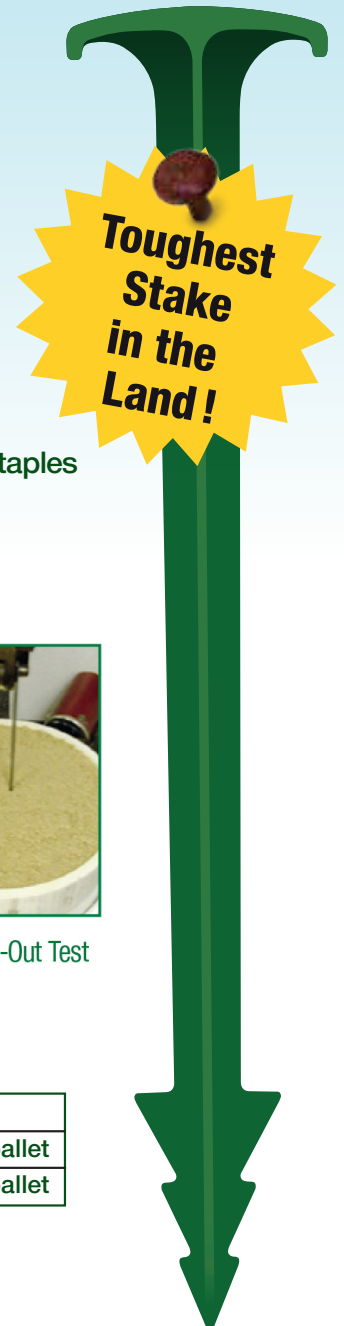

Where?

- Erosion control blankets
- Turf sod
- Mulch mats and weed fabric

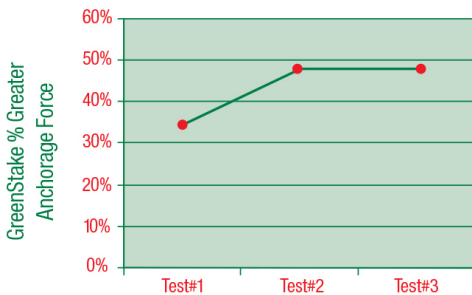

Why?

- **Biodegradable Standards:**
ASTM D6400 compliance; EN13432 compliance.
- **Tough and Durable:**
Can penetrate the hardest ground. Work for over 18 months.
- **Harmless:**
Safer than metal staples for people and machines.
- **Anchors:**
4" (10cm) GreenStakes have 45% more holding power than 6" (15cm) metal staples

Tested & Proven

—●— % Greater Anchorage of 4" GreenStake over 6" Staple

GreenStake Pull-Out Test

Staple Pull-Out Test
